

“Construction crews for the South Tower 6,7,8 fit out will begin mobilizing January 5th, 2026. There will be increased traffic through fall of 2027 along Crispell Dr as materials, fencing, and barricades are delivered in ambulance charging spaces and the M11 parking spaces along Crispell Dr. Ambulances are directed to begin charging in 11th St garage beginning Monday 1/5/26. Service elevator #34 in the hospital will be shut down 24/7 for the duration of the project.”
