

UVA HEALTH EMPLOYEES: JOIN A GRASSROOTS MOVEMENT

of Community Organizations, Community Members, and Faith Communities Supporting Medicaid Enrollment/Reenrollment

“Of all the forms of inequality, injustice in health is the most shocking and inhumane.”

—DR. MARTIN LUTHER KING, JR.

We are growing a network of Medicaid Assisters and Advocates to support people applying or reapplying for Medicaid.

It is estimated that upcoming changes to Medicaid will mean approximately **302,608 VIRGINIANS WILL LOSE THEIR BENEFITS** (Joint Economic Committee – Minority estimate).

Thousands of people in our local communities may be affected.

Do you have some time to help someone with the complicated paperwork necessary to apply/reapply for Medicaid?

Medicaid Assisters will go through 10-12 hours of virtual training to become certified according to federal regulations.

Medicaid Advocates will do approximately 4 hours of in-house training to provide information to Medicaid recipients and walk them through their health insurance options. Medicaid Advocates will make referrals to Medicaid Assisters and Social Services Depts as needed.

If you are interested in more information and/or becoming a Medicaid Assister or Advocate, please email the Move2Health Equity Coalition at mzhequity@gmail.com and come out to the information session on **Wednesday, January 7, 2026, from 6:00 – 7:30 p.m. at CitySpace, 100 5th Street NE, Charlottesville.**

Let's join together to make sure no one falls through the cracks.
